Thank you to everyone who participated in or helped in anyway with our 4th of July parade for the residents. It turned out to be a beautiful day and the residents loved it!

August marks 18 months since the onset of Covid and we had to close our doors. We are so grateful we are able to allow family and friends indoors for visits. I was not sure we were ever going to be able to do that again so what a blessing it is. We do ask that you call ahead to schedule your visit and then call the facility once you arrive so we can screen you in. This is for everyone's safety. We also have lots of space outside for visiting, the fresh air is good for all of us and while you are at it, take a stroll and look at the beautiful flowers. Kelly Cozad is our gardener, she has quite the knack for keeping all the plants happy and healthy 😊

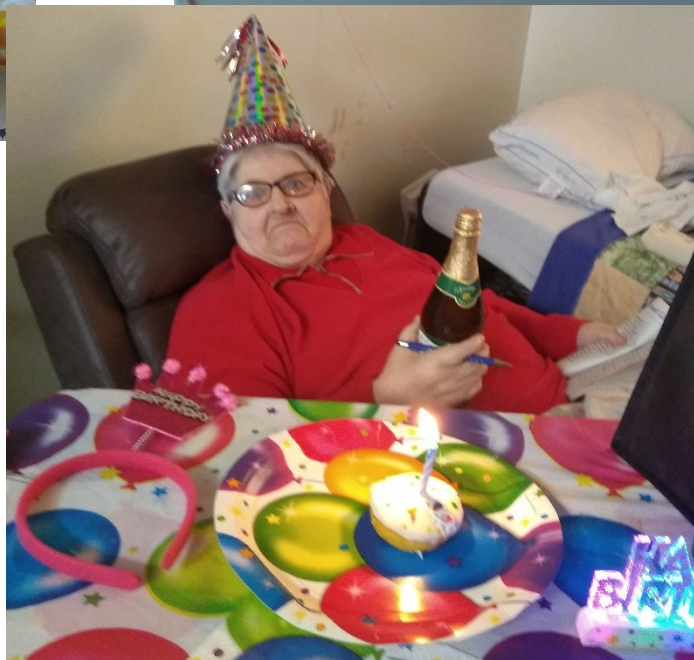

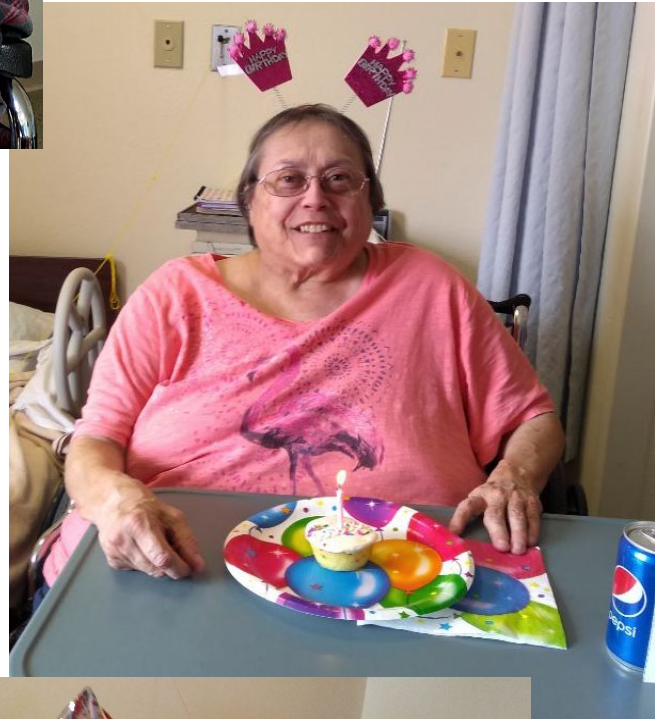

Have a beautiful month!

Resident Spotlight

This month's spotlight is on Maynard Yoder!! Maynard was born in Washington, Iowa with 5 brothers and 1 sister. His family farmed and moved to this area when he was 13. He loves to be outside as much as possible, so Maynard chose to work outside doing carpenter work and farming on the family farm. Some of his fondest memories are with his family working the farm and riding his favorite gray and white mare Silver. He also worked in Ft. Wayne, Indiana at a

hospital as a nurse's aide. Maynard values his family and always brings a smile with his great sense of humor.

We had a good turnout for our 2nd Annual Parade!! Thank you to all that participated and helped. The residents enjoyed all the different things in the parade while they ate snow cones.
