Welcome June and Summertime! Last month brought some normality back to all of us here at Westview. We do enjoy seeing family and friends again. In addition to family and friends getting to visit we are also enjoying more communal activities including church services. We do want to remind everyone that even though mask regulations have been lifted in most places, they are still in place in the nursing home. We ask that you help us follow nursing home rules set forth by the state and wear your masks while in the building.

Have a beautiful month!

Soft Peanut Butter Cookies

- 1 & 1/2 cups all purpose flour, spooned & leveled
- 1/2 tsp baking soda
- 1/4 tsp salt
- 1/2 cup (115 grams) unsalted butter, softened
- 3/4 cup (150 grams) light brown sugar packed
- 1/4 cup (50 grams) granulated sugar
- 3/4 cup (190 grams) creamy peanut butter
- 1 large egg room temperature
- 1 tsp pure vanilla extract
- 3 TBS granulated sugar optional

1. Preheat the oven to 350°F. Line two large baking sheets with parchment paper or silicone baking mats and set aside.
2. In a large mixing bowl, whisk together the flour, baking soda, and salt. Set aside.
3. In the bowl of a stand mixer fitted with the paddle attachment, or in a large mixing bowl using a handheld mixer, cream the butter, brown sugar, and granulated sugar together for 1 to 2 minutes or until well combined.
4. Mix in the peanut butter, egg, and vanilla extract until fully combined, making sure to stop and scrape down the sides of the bowl as needed.
5. Add the dry ingredients and mix until just combined.
6. Place the 3 TBS of granulated sugar in a small bowl. Using a 1.5 TBS cookie scoop, scoop the cookie dough, roll into a ball, and coat in the granulated sugar. Place each ball of cookie dough onto the prepared baking sheets, making sure to leave a little room between each one. Gently press each one down with a fork to make a small criss-cross pattern.
7. Bake for 10 to 12 minutes or until the tops of the cookies are set. Remove from the oven and allow to cool on the baking sheet for 5 to 10 minutes, then carefully transfer the cookies to a wire rack to cool completely.
